

NOW HIRING

ACCOUNTANT

#FARMERPOWER

Farmobile LLC is a growing AgTech startup passionate about helping farmers to collect, share and monetize their data for real-time visibility, better insights and revenue opportunities to strengthen farm families. Farmobile brings that mission to life with a culture founded on employee empowerment, mutual respect, collaboration and fun. Led by CEO Jason Tatge, Farmobile's team is 100% committed to organizing the industry by delivering never-before-seen technology to farmers while maintaining trust and transparency with customers. The team is full of rock stars, who work "hard and smart" to solve some of agriculture's biggest challenges. It is an amazing place to work. Join us!

OVERVIEW

The accountant will contribute to the day to day operations of the accounting and finance team by maintaining financial reports, records, and general ledgers and performing general bookkeeping. The accountant will also assist in collecting and presenting information for analysis by the leadership and executive teams.

REPORTS TO

Director of Finance

RESPONSIBILITIES

- Prepare asset, liability, and capital account entries by compiling account information
